FUN QUIZ EVENING

SATURDAY June 15th

7.30 pm *in the marquee*

FEAR NOT! This is not the serious stuff of 'Eggheads' combat - more a light-hearted challenge with some brain tickling along the way. **Teams could include a range of generations, from Teens to Grandparents.**

All you need is a little general knowledge, some inspired guesswork and the occasional dash of pure luck.

Search your family and friends for a team of up to 8 people.
(If you can't make a team - come along anyway and we'll sort you out!)

~~~~~

**Tickets £2 per team member**

**Available from the shop at weekends or Ken - 350 5146**  
**Numbers are limited - so book early!**

**Just bring something to nibble and some drinks to stimulate the brain cells.**

Profits will go to **Starz! Arts**; an offshoot of the charity **Dream-Makers**. **Starz!** offers children and young adults in Birmingham opportunities to build confidence by learning performing skills in theatre and film techniques. It is non - profit making with Julie Walters as one of its patrons.
